## Statement - Of Claim

I'm requesting Equal Protection as an A.D.D.C J-3. Although an convicted Felon I still have unalienable rights as an Human Being and resident of The State of Alabama. I'm requesting an investigation into this case by this Northern District and The Federal Government. The negligence of not <sup>1</sup>but two A.D.D.C Officers one Ms. Raven Brooks and one Mr. Jonathan Williams two whom while employed as A.D.D.C Officers' neglected their Sworn-In-Duties to the A.D.D.C and The State-Of Alabama, and to one J-3 (Myself: Eric Dashon Peterson A.I.S #205180) who was assaulted on Feb. 5, 2021 around 9:AM to 9:25 AM twice, before one of the two on cite Officers' Jonathan Williams to be exact <sup>acted</sup> while Ms. Raven Brooks whom heard the threats made while doing her Check still did nothing. And that's with the knowledge of the fact that I was about to get "Jumped" by Blood Gang Members because during her 15 minute bed check for 8 to 10 of those minutes Usher Trimez B/293447 repeated his threats and he did what he said I was assaulted; Punched in the Face twice from behind trying to escape Bodily Harm yet I still sustained injuries. Thank God they were not Life Threatening. This is my Statement of the events that should not have occurred on 2-5-21 because there was Security there in the form of not only One Correctional Officer, But Two!!

One, Officer R. Brooks enters C-Dorms Bay 3 For to conduct an bed roster check on an 80 Bed Assigned Dorm which at that time housed about 95 or so J-3s' some assigned and some not assigned so alone Officer Brooks enters Bay 3 although there should've been two Officer per J-3-to-Officer Ratio (50-To-60 J-3's to 1 Officer) therefore there should've been two Officers present due to the High Volume of J-3s' to Officers' Ratio there were at least 90 J-3s' but only 1 Officer (Female) not A.D.D.C Policy. This is error one one which induced error two, not helping to prevent an altercation when Red Flags and a Bomb has waived it's head. Instead of paying attention to an Clear and present Danger where the Officer clearly heard threats of Bodily Harm and Gang words used to confirm gang members it's For real. He also said the reason I'm getting Jumped is because I insulted the female

Officer who had an unauthorized hair styled duo with an 7 or 8 inch Pony Tail, her nails were painted polish blue, her eye lashes had been extended too, and her perfume incarcerated every available nose as inmates. Wowed her and rebuked me this incited the insurrection that caused me to be jumped and injured by 6 to 8 to 10 J-3s. J-3 Usher Trimez BT29344 makes multiple threats to me for being smart he said fore when the other J-3s Wowed at Officer Brooks' make-over I exclaimed "Elephant In The Room" this then made Trimez state over and over again during the Bed Roster Check that, and I quote "When she leaves (Officer R. Brooks) I'm going to slap the Fuck Out of You!". He said this about 15 times accompanied with gestures of violence. The Officer knew of the threat fore his threats were made during her bed check. She does not say anything to change the tide and video footage will show her there threw the entire ordeal and although she was there and first the second Officer named in this complaint Officer J. Williams acts only after I've been assaulted twice and a third about to take place before he pulls and uses his nose Officer R. Brooks still in the Dorm yet rendering no assistance to me or the other Officer who also saw and watched me get assaulted twice before acting. She created a security hazard for herself, for me, and for her fellow Officer and the entire Dorm. It's it when her Bed Check was completed that she lingered around waiting on me to be jumped and one J-3 said after I was removed from C-Dorm Bay 3 that the Officer R. Brooks stated that, "She wasn't going to stop it anyway she wanted to see me get my ass beat!" She even followed me to the HCU and there told Cpt. Smith she didn't see nobody jump me or threaten me I then exclaimed to her to be careful for what she says because video surveillance has her there before and after the assault as well as the fact that she neglected her sworn-in duties to the inmate population to protect them against more violent inmates, extortion, rape, robbery, and assault, she did nothing and needs to be cited and charged along with Officer J. Williams who did act, but after allowing me to be attacked twice with the following injuries a bursted Top-Y-Bottom lip (Bleeding), Right Nostril (Bleeding) right eye (Red Blood Flux in it vision Blurred Permanently...) My left knee was injured (Bleeding), My ribs on my left side

"4" B"

were bruised, my right shoulder sustained injuries and had to be X-rayed along with my jaw being X-rayed, and my right. Sheen leg area was injured in the assault on 2-5-21. I've been around 10 Murders in the past 3 Years 7 of them occurred at Elmore 2018 to 2019 so I'm Mental Health S.M.I. that's Severely Mentally Ill (Paranoia / Bulbar / etc) so I tried to avoid being assaulted even scurrying around the front of the Dorm by Officer R. Brooks which deterred the Mob of gang members (Bloods) not... I Feared for my life especially when I saw a Shank Knife being given to one of the gang members against me. In an Min. Out J-3 with Level II (2) Custody since 9-22-20 at an Level 4 Med. 9 Camp and need proper placement A.S.A.P. as well as protection from more violent inmates...

By not doing Her or His Job or duty-of-acting or the duty-to-act I was attacked twice in front of both parties Ms. Raven Brooks and Mr. Jonathan Williams neither interjected to remove me from the situation an clear-and-present danger. I suffered multiple injuries and received no medical attention after three submitted Sick Calls one copy is attached sec Exhibit A From the day of the assault after getting denied bandages and pain meds. by the nurse during an Body Chart; Hay requested by Cpt. Smith for records. I would submit two more Sick Calls unanswered then two grievance and one grievance appeal I was put on sick call 2-24-21- That's 19 days after the assault most injuries are well shoulder and ribs still hurt, eye vision still distorted slight limp when I walk from the injuries sustained falling on metal beds and concrete floors. — I was written up for Fighting Without A Weapon and Officer J. Williams said although his name appears as the arresting official he did not write it. Fore it states I, Eric Peterson was observed fighting with two J-3s and Sgt. Davis found me guilty but upon video surveillance footage observation Warden II McLovery Disapproved stating from her watch and no word or statements from me she concluded "Defense" of self and upon this Courts Viewing you'll too conclude the same

along with the fact that it could've been avoided. At some point Officer Brooks could've spoken and ended the chase, at some point she could've said enough after I was assaulted from behind the first time, or the second time I'm assaulted from behind but No! Not even after seeing me get attacked knowing the guy said, "On Blood when she leaves I'm going to slap the Fuck Out Of You!" She neglect her Job, she neglected an I-3 in danger of assault and after two assaults she still acts as if she didn't hear-or see anything this puts her in violation of her sworn duties and charges should arise for I was injured in both assaults my eyes receiving the most damage vision blurred permanently.

I'm an Non-Violent Offender with Level II (2) Custody Min. Out Security Level II (2) since 9-22-20 awaiting transferr amid the COVID-19 clears. I'm seeking charges against the two parties who neglected their duties and I got hurt. These are the under lying facts pertaining to this This.

# "RELIEF"

Pretaining to Mrs. Raven Brooks and Mr. Jonathan Williams there should be Punitive Criminal Charges held against them both For Failing to uphold their Sworn-In-Duties to the A.D.O.C and to the J-3 Inmate Population due to their negative attitudes towards protecting the inmate population from Assault, Rape, Extortion, Bribery, Black Mail, and Murder. This Court along with every other Judicial House of Authority has heard of the Murder Rate which previously exist in Alabama Prisons mainly due to Official negligence and or incompetence. Officers Negligence Account For over 85% of those Murders and on Feb. 5, 2021 Mrs. Raven Brooks and Mr. Jonathan Williams employed as A.D.O.C Officers both neglect their duties and I was assaulted not once, But twice before the second Officer on the Officer J. Williams sprays his wase to prevent yet another an thrid assault on me and they cared not that not one, but two Officers were present. They didn't detour their actions none-the-less 3 attempts with two sucessful causing multiple injuries to me only right in front of the two on duty officers who did not interject to remove me from an Clear-And-Present Danger and I sustained injuries which brings my Relief request to not only Punitive Charges but also that I get Monetary Compensation For the physical damages I got.

The injuries are; Damage to my Right Eye which has permanently blurred my vision now needing Corrective Eye Wear just to see my hand in front of my face, My Ribs were bruised on the left side Front and back Spinal Pain in Center of Back Still, (No Medical Attention As Of This Day); My nose was burst and Bleeding (No Medical Attention); My Right Shoulder was injured and X-Rayed along with my Jaw being X-Rayed (No Medical Attention) (No Results From 2-2021 X-Rays); Also There were injuries to both legs all of which are cited in my "Statment-Of-Claim".

Therefore the plaintiff is also seeking monetary damages in the Sum of \$200,000.00 For injuries sustained (None Life Threatening) because of the negligence of Mrs. Raven Brooks (Officer Brooks) and Mr. Jonathan Williams (Officer Williams).

Two Assaults left the plaintiff with some irreversable conditions one being an Blurred Vision (Weeding Corrective Eye); Shoulder Hurt (Unable to use right arm; No more Weight Lifting / Competing, No more Body building, No more Sports (Baseball-Basketball-Tennis)) I still run and jog

my legs are well enough they were only bruised not broken in the two assaults that occurred on 2-5-21 around 9:00 AM. My Right Shoulder has been Comperuised and at 46-Years-Old it's not healing rapidly as it would've if I was 16-Years-Old. Catch with my Grandson (6-Years-Old) will prove to be a challenge with my Shoulder injury. Work as-well, I'm an AWS Certified that's (American Welders Society Certified) now upon release next March or February 2022 I might have to change careers because theres heavy lifting and strenuous style work in Welding Ships (In an Ship Builder "Welder"). I might be placed on light duty or not even hired unable to perform my normal duties effectively. Therefore these injuries sustained in the two assaults were not life or death threatening but they still has an hazard in my physical condition now limiting my abilities that use to have No Limits. Seeking \$200,000<sup>00</sup> in Damages.
